

Benefits of Membership

CTTAM membership recognizes the accomplishment of the individual and is also beneficial to employers who are bidding on contracts which use the Qualifications Based Selection (QBS) model or manufacturers seeking ISO certification.

Certification demonstrates that members have:

- Agreed to uphold and abide by a Code of Ethics, promising to fulfill their duty to the public, the profession and fellow members.
- Been evaluated by their peers and have met a national standard of education and experience.
- Made a commitment to their profession.
- Made a personal statement that they are a technology professional.

Member Benefits:

- Interprovincial mobility
- Member Networking
- CTTAM works with government to advocate that regulations and legislation include technicians and technologists
- National Accreditation of College Programs
- Career Development through Continuous Professional Development (CPD) activities
- Access to obtain a M-T Limited Electrical Licence
- Stay informed – CTTAM discusses trends and issues in CTTAM's Manitoba Technologist publication
- CTTAM Annual Salary Survey – "Know Your Worth".
