

Manitoba Government Job Opportunities

Technical Officer

Regular/Full-Time

Manitoba Consumer Protection and Government Services

Operations District 4, Asset Management

The Pas, Manitoba

Advertisement Number: 40529

Salary Range: \$67,263.00 - \$81,037.00 per year

Closing Date: March 24, 2023

The Manitoba government recognizes the importance of building an exemplary public service reflective of the citizens it serves, where diverse abilities, backgrounds, cultures, identities, languages and perspectives drives a high standard of service and innovation. The Manitoba government supports equitable employment practices and promotes representation of designated groups (women, Indigenous people, persons with disabilities, visible minorities).

This is a preference competition. All applicants are encouraged to apply, however first consideration for this competition will be given to women, Indigenous people, visible minorities and persons with disabilities. Applicants are requested to self-declare at the time of application.

An eligibility list may be created for similar positions and will remain in effect for 12 months.

Candidates who do not meet all essential criteria may be considered on an underfill basis at a commensurate rate of pay.

The Manitoba government is seeking a highly motivated Technical Officer to work with the Asset Management Division. The Manitoba government has a comprehensive compensation and benefits package which includes extended health care, health spending account, dental care, vision care, long term disability insurance, group life insurance, maternity/paternity leave, family related leave and a defined pension plan (some pension plans allow for portability between the Civil Service Superannuation Board and employers). Training and career development opportunities are also available for employees.

Conditions of Employment:

- Must be legally entitled to work in Canada
- Must provide and maintain a satisfactory Criminal Record Check and an Internal Security Check.
- Must possess a valid Manitoba Class 5 Drivers' License with the ability to travel within Manitoba

Qualifications:**Essential:**

- Diploma in related technology (CET, C-Tech or Major trade designation) or an acceptable combination of training, knowledge, skills and experience.
- Knowledge of maintenance program management, facility management and capital planning in a variety of building types, sizes and occupancies.
- Experience in the application of National Building Codes, Electrical Codes, Plumbing Codes, and Fire Codes.
- Experience working with a variety of stakeholders including staff, clients and contractors.
- Experience in the operation and maintenance of HVAC, security systems, life safety systems, and DDC systems or similar software.
- Excellent written communication skills with the ability to prepare and review technical documentation.
- Excellent organizational and time management skills with the ability to multitask and meet tight deadlines.
- Excellent verbal communication skills with the ability to liaise and negotiate with other jurisdictions and levels of government, contractors / consultants as it relates to specific projects, programs or issues.
- Excellent interpersonal skills and the ability to work as a team member.
- Advanced knowledge of computer programs (ie: MS Office, AutoCAD, and related technical programs).

Desired:

- Knowledge of SAP or other preventative maintenance program will be an asset

Duties:

Under the direction of the District Property Manager (DPM), the district technical engineering officer provides technical support to the DPM, Facility Managers, Project Manager and key support staff within the district including capital works planning, preparing technical solutions and daily operational technical challenges of owned and leased properties. With the direction and approval of the DPM, the District Technical Officer coordinates, plans and implements the District's capital program.
