

SISONBLACKBURNCONSULTING INC.

WHO ARE WE

Sison Blackburn Consulting Inc. (SBC) was established in 2013, and is a Civil Engineering company specializing in land development and municipal infrastructure projects. Our comprehensive range of services allows us to support our clients at every stage of their projects including urban and rural development planning, feasibility studies, regulatory approvals, design, tendering, construction management and contract administration.

LOCATION: WINNIPEG

WEBSITE: www.sbcinc.ca

JOB TITLE: INTERMEDIATE CIVIL ENGINEERING TECHNOLOGIST

POSITION OVERVIEW

This position will primarily focus on preparing plan, section, detail and schematic drawings, field surveys, and on site contract administration. Familiarity with design standards and proficiency in AutoCAD is mandatory.

REQUIREMENTS

- A Municipal Technologist or Technician or Design Drafting Technician Diploma
- Registered with CTTAM
- Minimum 7 years' experience in Municipal Engineering
- Valid Class 5 driver's licence
- Excellent written and verbal communications skills
- Familiarity with design standards
- Proficiency in AutoCAD
- Experience in Civil 3D would be an asset but is not a requirement.

SBC offers a competitive salary, comprehensive benefit package and a positive work environment. If you believe this opportunity matches your skill set and capabilities, please email your resume and covering letter to:
